## MATEMWE

### ZANZIBAR WEDDING PACKAGE

There is no more romantic and exotic wedding than right at the beach – and here at Matemwe we can offer couples the perfect setting on our beach or on the guests' private veranda. We will cater for every need – ranging from the administrative side of a full ceremony to the romantic honeymoon beach dinner, without the guests having to go to any office (a government official will be at Matemwe to conduct the official ceremony).

The ceremony takes place on our pristine beach overlooking

the Indian Ocean, under a beautifully decorated palm leaf arch with fresh flowers. A local band and singers accompany the ceremony and create an exotic and Zanzibari occasion. In the evening a private celebratory dinner will be arranged either on the beach or on your private veranda (weather permitting) and after dinner you can enjoy your wedding cake prepared by the Matemwe Chef. The following day a relaxing massage awaits the newly married couple.

## Please note:

---

There is an additional cost for German and Austrian nationalities for required documents from the Embassy in Dar (USD550).

## Documentation required for the ceremony:

---

We need the following original documentation to prepare the perfect wedding:

1. An application letter in English (signed by both parties) indicating that the couple wants to get married on Zanzibar, stating the intended date of the marriage. This letter should be addressed to: Regional Commissioner: Urban – West Region, P.O Box 265, Zanzibar.
2. Two photocopies of each of their passports
3. Birth registration certificate for both parties
4. Certificate of Domicile from each
5. Two passport photos each
6. A signed written statement from each partner, stating that they are single.

All of the above shall be sent via DHL to the attention of "Front of Office Reception", Matemwe, P.O Box 3275, Zanzibar, Tanzania. Please do not forget to add the lodge number +255 774 683 359 so that DHL can call Matemwe when your package arrives. We will take care of the further contact with the regional commissioner. According to Zanzibar law, clients must be in Zanzibar for 2 weeks but this is not enforced. A 21-day notice before the actual date of marriage will have to be put at the notice board of the municipality in town. We can carry out the full process for the couple if they send all the above papers to us at least 3 months prior to the wedding date.
