7 DAYS: MASAI MARA, MARA NABOISHO

Rekeru, Masai Mara, Kenya

Combining 3 nights Masai Mara (Rekeru Camp)
and 3 nights Mara Naboisho (Naboisho Camp)

Day 1: Overnight Rekeru Camp (Game Package)

After landing at Jomo Kenyatta International airport you will be met by an Asilia driver to transfer you to Wilson airport before boarding the flight to the Masai Mara, a journey of approximately an hour, landing right in the heart of this world-famous reserve. A guide from Rekeru will meet you and game drive you back to camp, offering the perfect introduction to

the vast savannah plains and stopping to watch any wildlife you encounter on the way. Settle into your tent and enjoy lunch and time to relax overlooking the Talek River, one of the two major river systems in the reserve, which runs right in front of the camp. After afternoon tea and cake, head out on a game drive to search for big cats and other wildlife.

Rekero

An iconic tented camp with a rich history, Rekero takes a prime position on the banks of the Talek River, where wildlife is often viewed right from the comfort of camp. Nine spacious guest tents balance the adventure of sleeping under canvas with plenty of modern comforts. The main lounge tent and vast deck offer the perfect vantage point from which to spot

wildlife drinking at the river, as well as overlooking one of the main river crossing points when The Great Migration herds are in the reserve. The guides here are superb and know the best spots to seek out the many species found in the Masai Mara, as well as the history and stories of some of the big cats that frequent this corner of the reserve.

Day 2 & 3: Overnight at Rekero (Game Package)

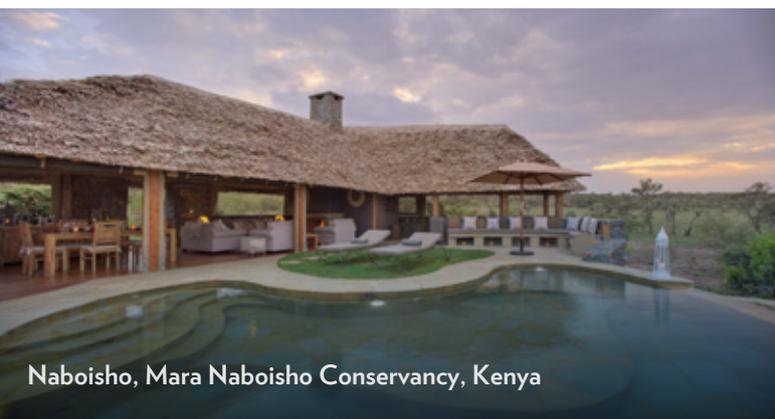

Game drives from Rekero take place in the early to mid-morning and in the mid- to late afternoon, when wildlife is most active, offering the best sightings. The grassy plains are home to a wide range of species, from a pride of lion to cheetah stalking their prey and hippos wallowing in muddy pools. There is never a dull moment in the Masai Mara. During the heat of the day you will return to camp for a

rest, lunch and, of course, the tradition of freshly baked cake and tea or coffee before your afternoon drive. Dinners are typically communal, sharing stories of your day's adventures with other guests. Hot-air ballooning is also possible from here, at an additional cost (pre-booking recommended), offering a unique perspective on the landscapes and wildlife at sunrise.

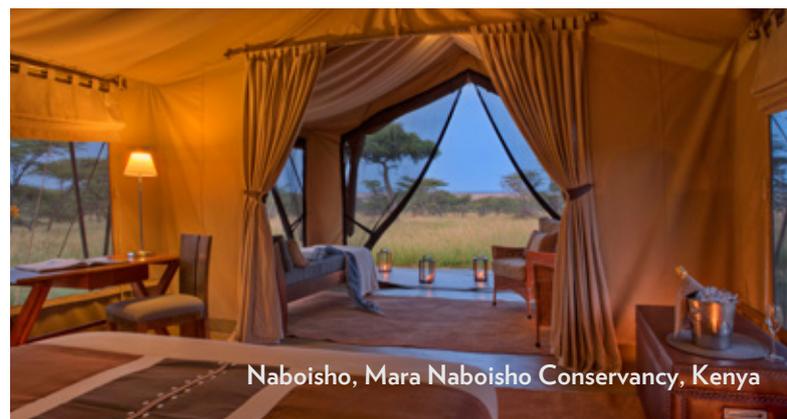

Day 4: Overnight at Naboisho (Game Package)

After breakfast, say goodbye to the Rekero team and drive north, over the National Reserve boundary, and into the exclusive Naboisho Conservancy. On arrival at the camp, you will be met by our managers before sitting down for lunch under the shade of the trees before relaxing by the pool

for the afternoon. After tea, you will choose your first game activity within the Naboisho Conservancy, which is home to a spectacular array of wildlife including good populations of lion, leopard and cheetah, herds of elephant and buffalo, and much more.
